A Woman's Guide to Understanding Sports

Description: In under an hour, Duffy's WOMAN'S GUIDE TO SERIES, a trilogy of audio books is designed to help couples get closer while putting an end to sports guilt and nagging during game time. For women, Duffy's guide can get them out of the kitchen and onto the couch during sports season, helping them to interact with their special man on any given Sunday. Paula Duffy a sports expert and media commentator, can give you a full 101 in baseball, football or basketball. Her series helps women understand how a game begins and ends, basic rules and info on the players and what they do, some terms used by announcers and how they can use what they've learned to "Talk Sports."
